

01 I DO LIKE TO BE BESIDE THE SEASIDE

Everyone delights to spend their summer holiday
Down beside the side of the silvery sea
I'm no exception to the rule, in fact if I'd my way
I'd reside by the side of the silvery sea

But when you're just the common or garden
Smith or Jones or Brown
At business up in town
You've got to settle down
You save up all the money you can
Till summer comes around
Then away you go
To a spot you know
Where the cockle shells are found

*Oh I do like to be beside the seaside
I do like to be beside the sea
Oh I do like to stroll upon the prom, prom, prom
Where the brass bands play
Tiddley-om-pom-pom!
So just let me be beside the seaside
I'll be beside myself with glee
And there's lots of girls besides
I should like to be beside
Beside the seaside, beside the sea*

02 THE GRAND OLD DUKE OF YORK

Oh the Grand Old Duke of York
He had ten thousand men
He marched them up to the top of the hill
And he marched them down again

*And when they were up, they were up
And when they were down, they were down
And when they were only half-way up
They were neither up nor down*

03 NELLIE THE ELEPHANT

To Bombay
A traveling circus came
They brought an intelligent elephant
And Nellie was her name
One dark night
She slipped her iron chain
And off she ran to Hindustan
And was never seen again

*Nellie the Elephant packed her trunk
And said goodbye to the circus
Off she went with a trumpety-trump
Trump, trump, trump
Nellie the Elephant packed her trunk
And trundled back to the jungle
Off she went with a trumpety-trump
Trump, trump, trump*

The head of the herd was calling
Far, far away
They met one night in the silver light
On the road to Mandalay
So Nellie the Elephant packed her trunk
And said goodbye to the circus
Off she went with a trumpety-trump
Trump, trump, trump

Night by night
She danced to the circus band
When Nellie was leading the big parade
She looked so proud and grand
No more tricks
For Nellie to perform
They taught her how to take a bow
And she took the crowd by storm

04 MISTER NOAH BUILT AN ARK

Mister Noah built an ark
The people thought it such a lark
Mister Noah pleaded so
But into the ark they would not go

Down came the rain in torrents (splish! splash!)
Down came the rain in torrents (splish! splash!)
Down came the rain in torrents
And only eight were saved

The animals went in two by two
Elephant, giraffe and kangaroo
All were safely stowed away
On that great and awful day

Down came the rain in torrents (splish! splash!)
Down came the rain in torrents (splish! splash!)
Down came the rain in torrents
And only eight were saved

Whenever you see a rainbow
Whenever you see a rainbow
Whenever you see a rainbow
Remember God is love

05 THERE'S A FLAG FLYING HIGH

There's a flag flying high in the castle of my heart
In the castle of my heart, in the castle of my heart
There's a flag flying high in the castle of my heart
For Jesus is resident there

*Let it fly in the sky, let the whole world know
Let the whole world know, let the whole world know
Let it fly in the sky, let the whole world know
That Jesus is resident there*

06 TEDDY BEARS' PICNIC

If you go down to the woods today, you're sure of a big surprise
If you go down to the woods today, you'd better go in disguise
For every bear that ever there was
Will gather there for certain because
Today's the day the teddy bears have their picnic

If you go down to the woods today, you'd better not go alone
It's lovely down in the woods today, but safer to stay at home
For every bear that ever there was
Will gather there for certain because
Today's the day the teddy bears have their picnic

Every teddy bear that's been good is sure of a treat today
There's lots of wonderful things to eat and wonderful games to play
Beneath the trees where nobody sees
They'll hide and seek as long as they please
Today's the day the teddy bears have their picnic

Picnic time for teddy bears

The little teddy bears are having a lovely time today

Watch them, catch them unawares

And see them picnic on their holiday

See them gaily gad about

They love to play and shout, they never have any cares

*At six o'clock their mummies and daddies will take them
home to bed*

Because they're tired little teddy bears

07 ONE MORE STEP

One more step along the world I go
One more step along the world I go
From the old things to the new
Keep me travelling along with you
And its from the old I travel to the new
Keep me travelling along with you

As I travel through the bad and good
Keep me travelling the way I should
Where I see no way to go
You'll be telling me the way I know
And its from the old I travel to the new
Keep me travelling along with you

You are older than the world can be
You are younger than the life in me
Ever old and ever new
Keep me travelling along with you
And its from the old I travel to the new
Keep me travelling along with you
