

Five Little Fingers is an audio CD of original material designed to bring **COLLECTIVE WORSHIP** into the classroom on a daily basis.

The CD consists of five 5-minute tracks each containing

- ✓ a simple theme song (**Five Little Fingers**)
- ✓ a song for the day
- ✓ a daily meditation
- ✓ a repeated prayer

Each finger of the hand represents one of the five school days and with this simple memory aid, children are helped to think about different people groups for each day.

1. Monday - My family
2. Tuesday - My helpers
3. Wednesday - My leaders
4. Thursday - My friends
5. Friday - Myself

All staff need to do is gather the children together, put on the CD at the beginning or end of the day and let the instructions guide the children through the different elements
